After The Transition to Digital Television, will you buy new equipment or pay a TV provider?

1. How long do you watch TV per day?

2. After The Transition to Digital Television, are you going to buy a new Television, a converter box, or pay a TV provider (cable or satellite)?

Thanks.

How long do you watch TV per day? I do not watch tv

2.

After The Transition to Digital Television, are you going to buy a new Television, a converter box, or pay a TV provider (cable or satellite)?

I do not care the transition and il will not pay to have cable or satellite or nothing, there are very expensive :(

i'm happy whit yahoo :)
